Pasta dried from 3 to 6 days in static cells under 38°C to favour **digestibility** and preserve its **organoleptic properties**. Store dry at a temperature of max 18°C and 65% relative humidity to avoid proliferation of insects. The pasta can come in irregular shapes, cuts and colours, those being a mark of authenticity of the **handmade** product tradition itself.

Our pasta is **bronze-drawn** using our traditional moulds.

Ingredients: durum semi-whole semolina, water.

Contains **gluten**.

It may contain trace of **eggs**.
